HOW IT BEGAN:
DIAMOND BRANDS ◆ MPLS., MN 55426
The two Duryea brothers, bicycle-
builders of Springfield, Mass.,
built the first successful gasoline-
powered automobile offered for
sale in the United States. It was
completed and tested in 1892-1894
and put on the market in 1895.

HOW IT BEGAN
THE BOOK MATCH
The first book matches were introduced in the late 1880's (Diamond Match made the first advertising book match in 1889). An improved type (basically the same version in use today) was patented in 1892, sold to Diamond in 1894, and was first produced in 1896.
